## ABOUT THE FIRM

Since 1989, Zingaro, Fidler, Wolfe & Co., and its predecessor firm, Zingaro & Co., has been recognized as a premier retained executive search consulting firm specializing in the healthcare and life-science industries. Collectively, our team has fifty-years of executive recruiting experience resulting in more than five hundred successful emerging leader and senior level placements within the life-science, medical device, diagnostics, acute and post-acute healthcare, and hospice and palliative medicine services segments.

By using our combined fifty years of healthcare and life science senior leadership experience, proven record of building world-class teams and, a vast network of contacts and relationships, we are poised to quickly add significant value to our client partners.

*“Tracy is very professional, personable, effective, and efficient. She was able to complete the CEO search in a very short remarkable amount of time while bringing a number of well-vetted and diverse candidates forward. I highly recommend working with her on important projects.”*
